San Andres ISLAND

Santa Catalina ISLAND

SAN ANDRES, MY BEAUTIFUL ISLAND

BY BRICEÑA CORPUS

San Andres my beautiful island
with her waters all around.
And that's why I am feeling so proud
Of this little tropical land.

The most beautiful coconut trees,
And the whitest sand you see....
You cannot forget her, that I can assure
For you will come back some day....
And you can believe it, that you'll never find,
anyone like her nowhere.
